Just like last year if you renew your membership in the month of October you will receive a post card in November for a free burger meal. You will also have your name places into a drawing for one of five – one year membership giveaways.

Membership Perks you may not even be Aware you are missing out!!

A question that a lot of members ask of the board, or current members, is what are the benefits of joining The Lodge. I will tell you each lodge is different; however, some of the benefits that have been offered to active members of the Williston Lodge are but not limited to a free meal, usually around the lodge's birthday (April 6th), many incentives for programs centered around renewal/extension of your dues. (Did you know that you can extend your dues at any date to take advantage of these programs? No need to wait until the month before expiration.) and there are also several discount incentives that come with your membership as well. If you took part in the different benefits and promotions, you would save almost double what you pay in dues each year.

Moose International has leveraged companies to extend to its members drastic discounts on Health & Wellness, Insurance, Travel Programs, and other benefits that it constantly looks to amend and grow.

For example, within health & wellness lies discounts in Lifeline screening, Start Hearing, etc... Insurance discounts with Farmers Insurance, AGIA Affinity, Nationwide and Life insurance Central. You can even get Emergency Assistance if needed while travelling. Speaking of travel; Check this Out!!

Travel programs extend discounts to Wyndham hotels, Choice hotels as well as The Gold Nugget Casino. Car rental agencies such as Avis and Budget supply discounts as you travel to this great country. Did you know The Moose has an exclusive Cruise for members or try booking though Cruises International for a Moose Discount.
